MEMORANDUM TO: MIS Committee
FROM: Assistant Director for Research and Reports
SUBJECT: Recommendation for MIS Commendation

1. Personal Data

Name of Person Recommended: [REDACTED] 25X1A9a

Grade or Rank: GS-14

Position Title: Chief, Far East Compilation Branch,
Cartography Division

Department or Agency: Central Intelligence Agency

Office: Office of Research and Reports

2. Basis of Recommendation

25X1A9a [REDACTED] has been Chief of the Far East Compilation Branch in Cartography Division for more than twelve years. During the past eleven years, he has been closely identified with the success of the MIS program in the Division. He was instrumental in the initial planning of the production of the MIS bases and final maps.

The standards of substantive data accuracy and the efficiency of design were in part the result of [REDACTED] specific efforts. Although not always the avenue of least resistance, [REDACTED] has insisted on maintaining high standards of accuracy in spite of short deadlines, and thus has contributed markedly to the quality of the cartography contribution to the MIS.
